

MSO Pickleball Referee Request

Dear Pickleball Referees,

You know how important your role as trained referees is and we very much appreciate your ongoing volunteer service to the Pickleball community.

The USAPA has once again recognized the quality of the MSO Pickleball events with a Tier 3 Sanctioning. The level of competition is again outstanding as you can see from the [PLAYER LIST](#) and the [BRACKET LIST](#)

We are fortunate that the MSO has provided us with both the OPC and the Auburn Hills facilities for all three days in order to enable the 115 registered team/individuals to compete within a reasonable schedule for players, referees, and volunteers.

Here is the schedule with both locations active on all three days.

	Check in 8:00 a.m. 65+
	Check in 11:00 a.m. 55-59

If you are playing in the MSO, please use the above timelines to create your personal playing schedule and consider refereeing when you are not scheduled to play.

For example, I am scheduled to play Monday at AH and Tuesday and Wednesday at the OPC all on the early shift, so I can referee at those respective locations once I am done playing. Some of you may be playing later and could help us out before you are scheduled to play.

If you are not playing in the MSO this time, please consider volunteering for the early shifts where the need is the greatest.

The early shift is 7:30am – 11:30am and the later shift is 11:00am – 3:00pm.

Please let me know the days and locations that work best for you as well as the early or later shift.

Please respond ASAP so they we can finalize the schedule for the MSO and, once again, host an outstanding event for all involved.

Thanks,  
-Dick
