Date: Sunday December 6th Time: 1pm-5pm
Registration Deadline: Thursday December 3rd

The North Oakland Family YMCA is hosting their first introductory Pickleball Tournament for adults 18 and above. The tournament will be round robin style and will have 8 teams of 2 players. We will have games playing on two different courts. Participants are encouraged to bring their own paddles. There will be extras for those who don't have a paddle to play with. This is a great way to be able to learn a new game that has been getting very popular within the last several years.
