

Pickleball Lyrics by Singing Pickleball Pete

Pete LaBarbera

Well...
meet me in the morning,
meet me in the evening, meet me at pickleball time
Be my pickleball partner and *we'll have a good ole time.*

Meet me by the kitchen,
meet me at the baseline, meet me by the net, -that's fine
Be my pickleball partner and *we'll have a good ole time.*

Go and grab your paddle,
and swear to your friends around
You'll be loving pickleball, 'til the end of time.

Let's play in the morning,
Let's play in the evening, Let's play anytime
We'll play pickleball and have a good ole time.

Well ... Well.....,
meet me in the morning,
meet me in the evening, meet me at pickleball time
Be my pickleball partner and *we'll have a good ole time.*

Meet me by the kitchen,
meet me at the baseline, meet me by the net, -that's fine
Be my pickleball partner and *we'll have a good ole time.*

Don't smash the pickleball,
don't smash the net, don't hit your opponent – in--- the head

Meet me in the morning,
meet me in the evening, meet me for pickleball time
Just meet me at the baseline, any ole time

Now pickleball time..
is played - anytime -- that you are near-
that you are near don't you fear...don't you roam.....

Please don't roam.. up to the kitchen zone-alone.
And don't LAND in the no-oooo volley zone

Meet me in the morning,
meet me in the evening, meet me at pickleball time
Be my pickleball partner..... and

We'll have,

We'll have,

Yes, we'll have a good ole time

It's Pickleball – Pickleball – Pickleball -- time
