

Bad news: the auxiliary gym is just too tight for two courts, hence we will only have five courts to use. This means we need everyone's cooperation in keeping things moving.

Good news: Locker rooms are available, there are showers although it takes awhile for the water to get hot. Bring your own lock and towel.

There will be tables available in the cafeteria. You can sit in there to eat and drink since nothing but water is allowed in the gym. Please abide by this rule or we may lose a venue for the future. There are water and snack vending machines. I recommend you bring your own. There are microwaves available to heat things up. There are fast food restaurants a mile and half away.

There will be spectator seating.

We will need players to help out as referees when not playing. The more people who help the less burden and any individuals.
